

God Hates Abuse Project

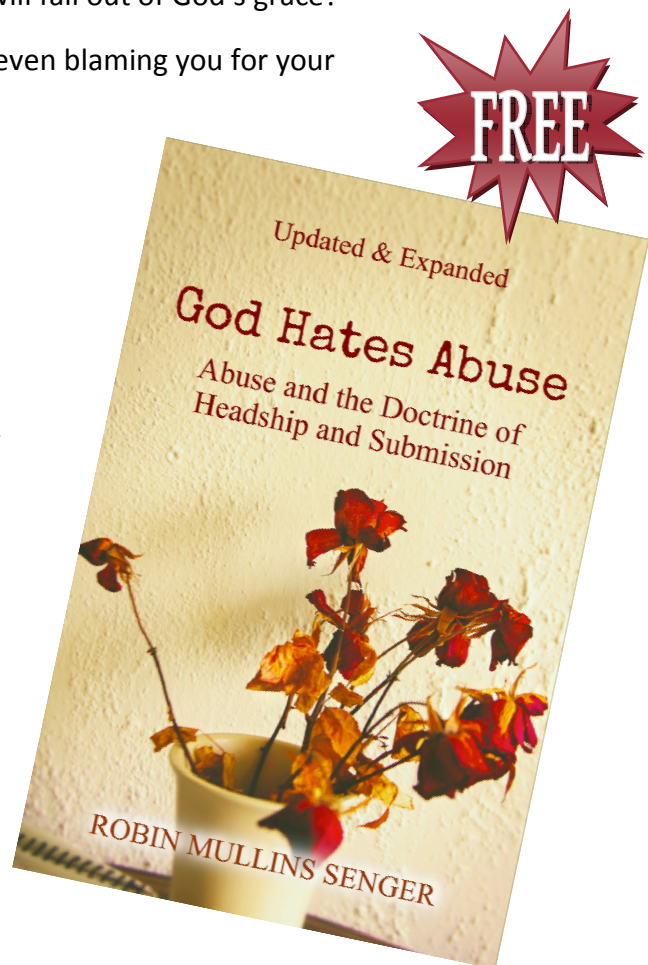

Shaping the future by removing religious misconceptions that prevent women and children from living fulfilling lives free from abuse.

- Are you a Christian wife suffering abuse in your marriage? Do you wonder if it really is abuse?
- Do you worry that if you leave your husband you will fall out of God's grace?
- Does your church tell you to be more submissive, even blaming you for your marriage problems and protecting your husband?
- Do you feel hopeless about the future and confused about what God expects from you?
- Did you know God cares about you and is not blaming or condemning you?
- Has your spiritual connection with God suffered under the guilt and weight of the load you are carrying?
- Do you wonder how to help your kids?

If so, you are not alone and there are answers...

Get the FREE book and discover hope,
gain clarity and renew your faith for courageous living!
